Learn. Get Certified. Stay Ahead

Overview

Scaled Scrum Master Certified (SSMC™) Large projects require multiple Scrum Teams to work in parallel. The Chief Scrum Master is responsible for coordinating activities of multiple Scrum Teams to develop potentially shippable product increments/deliverables. The Chief Scrum Master fosters collaboration and coaches others with the implementation of Scrum for a smooth delivery of the project's products. Apart from clearing impediments and ensuring a conducive project environment for the Scrum Teams, the Chief

Scrum Master collaborates with the Chief Product Owner, other Scrum Masters, and Product Owners in activities such as developing the list of components and resources needed in common for all teams throughout the project..

Certification

Applicants will be awarded the Scaled Scrum Master Certified (SSMC™) certificate by SCRUMstudy upon successfully passing the certification exam, which is a 1.5 hour online multiple choice exam. Exams are administered by SCRUMstudy and Need to schedule the exam in advance using the membership account or taken at a time convenient to you.
